ANGERS - FRANCE
29-30 October 2019

The global summit on asparagus

International Asparagus Days is an international event dedicated to every aspect of the asparagus industry. From production to sale, farming techniques, harvesting and packaging, this event is for all professionals of the sector.

The programme: business, expertise and networking

TUESDAY 29 OCTOBER AND WEDNESDAY 30 OCTOBER 2019

> A showroom

A hundred specialist international companies: seeds, plant and graft production, technical resources, greenhouses, sowing machines and equipment, transplantation, equipment for everything from harvesting to sizing and packaging the product, services and more.

> Conferences

Find out and discuss about the issues facing the asparagus industry and asparagus-growing: organic, innovation, consumption, night harvesting (*Tuesday morning and Wednesday morning*)

Talk from sponsor companies

> "Indoor" demonstrations

At the fair: harvesting and handling plastic mulch

Convivial and technical outdoors meetings

Make the most of the meetings organised outside the trade fair.

LEARNING EXPEDITION

PROGRAMME FOR MONDAY 28 OCTOBER NOUVELLE-AQUITAINE

Visit to the Lebourg farm, which is betting on innovation.
Visit to Plasana France, the largest French asparagus producer.

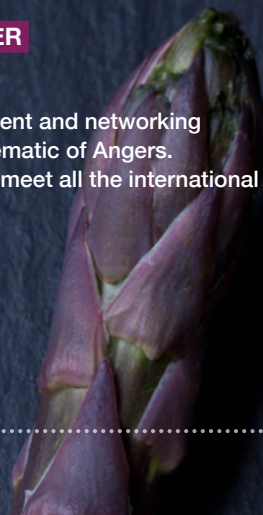

PROGRAMME FOR THURSDAY 31 OCTOBER | VAL DE LOIRE

Visit to the Poupard farm, champions of organic farming.
Visit to Fleuron d'Anjou, the standard for vegetable production.

NETWORKING GALA DINNER

TUESDAY 29 OCTOBER

Enjoy an evening of entertainment and networking in a historic place that is emblematic of Angers. This is a unique opportunity to meet all the international players in your industry!
